

HONESTY & INTEGRITY

July 7, 2010

**Brad Sherman**  
**Congressman / Candidate for 27<sup>th</sup> District**  
**4570 Van Nuys Boulevard #270**  
**Sherman Oaks, CA 91403**

Dear Congressman Sherman:

During the upcoming campaign there will be many opportunities for us to share our ideas with the constituents of the 27<sup>th</sup> District. I believe the most effective of these opportunities is debate format. To that end, I would like to request 4 debates, one per month, in July, August, September, and October. In the interest of fairness, I propose each campaign choose two dates, locations and moderators for the debate they will be "hosting." The details of each debate will be subject to approval by the other campaign. All debates should be subject to recording.

Please let me know the dates that will best work for you so that I can plan to promote the events as I meet with the people in our district. Should you have any questions, do not hesitate to have your staff get in touch with my campaign staff.

Thank you for your cooperation.

Sincerely,

**Mark Reed**
