BRAD SHERMAN REFUSES TO DEBATE!

Mark Reed pledges to:

- Reduce the Federal Deficit
- Vote NO on any new taxes
- Repeal and replace “Obamacare”
- Bring manufacturing and jobs back to the United States and 27th District
- Reduce the size of government and allow the Free Market to grow

Mr. Sherman's reasons given: “These are unacceptable organizations to host a debate.”

The American Legion, Veterans of Foreign Wars, Neighborhood Councils, Chambers of Commerce, Panorama City High School, Pierce Community College, Senior Assisted Living Homes and the San Fernando Valley Republican Club to name a few.

Maybe Sherman doesn't want to be held accountable for:

- Having 1 out of 3 Small Businesses in the District Closing down.
- Increased Home Foreclosures
- Over 100 large corporations having left the state of CA
- The loss of McDonnell Douglas, Lockheed, Rocketdyne and Price Pfister, raising unemployment in the District
- The loss of 14 Acres of the Sepulveda VA Hospital to a private developer
- A 13.5 trillion dollar national deficit
- A 9.6% national unemployment figure
- 1 no vote and 2 YES votes on TARP
- Yes votes on every Bailout
- A 98.1% party line voting record
- Silence and Consent to Pres. Obama's policies on Israel
